Dear Sir:

The current attorney of record in the above-identified application recently received a Notification of Defective Response mailed on April 29, 2003, copy of which is attached herewith, in connection with a Notification of Missing Requirements mailed on October 30, 2001. Review of applicants' case file showed that a complete response to the Notification of Missing Requirements was timely filed on January 29, 2002, with the following documents, copies of which are attached:

1. Transmittal Letter;
2. Response to Notification of Missing Requirements;

A return postcard was received from the U.S. Patent and Trademark Office, indicating that the papers filed, including the declaration, were physically received on February 13, 2002. A copy of the postcard is attached herewith.

Also attached herewith are an Associate Power of Attorney in favor of the undersigned and another Associate Power of Attorney mailed on July 17, 2003 and received by the Office on July 21, 2003.

In view of the above, it is asserted that the declaration required by the Notification of Defective Response has in fact been received by the U.S. Patent and Trademark Office. Accordingly, the notification should be withdrawn.
